

BEACHWOOD BAY ESTATES  
EXECUTIVE BOARD MEETING

August 15, 2020

2020/2021

The first executive board meeting was held Saturday, August 15, 2020. Purpose of meeting is for all members to get acquainted with each other & to decide which office each person will hold.

The three returning members will continue to hold their positions.

The subject of terms for each position was brought up at the annual meeting and will be included in the updated documents that Nancie is working on.

We discussed what each position entails, answered questions anyone had.

We discussed how best we could work together to continue the forward movement the community is currently enjoying.
